PLAINTIFF'S PETITION FOR WRIT OF MANDAMUS

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW, _____ ("Plaintiff") pro per, and PETITION FOR WRIT OF MANDAMUS ("Writ") complaining of TEXAS OFFICE OF COURT ADMINISTRATION and MARIA RAMON, herein ("Defendants"), and for cause of action would respectfully show this Honorable Court the following:

STATEMENT OF CLAIM

The Plaintiff filed a Public Records request with the Harris County Clerk that was ignored. As a result, the Plaintiff filed a denial of access to judicial records pursuant to Rule 12.8 of the Rules of Judicial Administration ["Rule"]. The Defendants failed to properly follow the procedures required by Rule 12. Even though the Plaintiff has requested on numerous occasions as to why they don't follow Rule 12 for some parties and not others, the Defendants have not given the Plaintiff any reason as to why they ignored a slew of Rule 12 procedures with regards to my denial of access records request.
